

Takeover of domains and products

Date of agreement: _____

Products included in takeover:

- Domains
- SSL certificates
- Plesk licenses
- Premium Global Anycast DNS
- Other: _____

Reseller details:

Losing reseller (transferring out):

Company / name: _____ Reseller ID: _____

Gaining reseller (transferring in):

Company / name: _____ Reseller ID: _____

We agree that,

- All items for chosen products within losing reseller account will be taken over by the gaining reseller
- Only the items listed in the attachment will be taken over by the gaining reseller
- The account of the losing reseller will be closed afterward; any outstanding balance will be transferred to the gaining reseller's account

The gaining reseller is responsible for a one-time administrative fee of €80.00 for this transfer. Both parties acknowledge that associated domain services, including DNS zone, forwarding, and Whois Privacy, are part of this transfer.

The losing reseller will inform its customers about the takeover.
