## Full domain name takeover request

Page

1/1

### 1 Current registrar

<b>Registrar's name</b>	<input type="text"/>
<b>Registrar number</b>	<input type="text"/>
<b>Signatory's name</b>	<input type="text"/>
<b>Job title</b>	<input type="text"/>
<b>Once the takeover is complete, I want my registrar account closed</b>	<input type="checkbox"/> No <input type="checkbox"/> Yes. I've read the rules on account closure and I understand that I may get invoices after the account has been closed.

### 2 New registrar

<b>New registrar's name</b>	<input type="text"/>
<b>Registrar number</b>	<input type="text"/>
<b>Signatory's name</b>	<input type="text"/>
<b>Job title</b>	<input type="text"/>
<b>Requested takeover date</b>	<input type="text"/>

### 3 We agree on the following

- The current registrar wants all the domain names under their control transferred to the new registrar.
- We've read the domain name takeover procedure and the rules in article 7 of the General Terms and Conditions for Registrars.

#### I - the new registrar - want to take over the domain names.

- From the date of the takeover, I accept responsibility for paying all the fees and charges for the domain names. That includes any outstanding amounts from before the takeover.
- I have told the domain names' registrants about the takeover.
- I know how many of the domain names are registered for .nl Control.

### 4 Signature

We are authorised signatories registered with the Chamber of Commerce.

<b>Date</b>	<input type="text"/>
<b>Signed for the current registrar</b>	<input type="text"/>
<b>Date</b>	<input type="text"/>
<b>Signed for the new registrar</b>	<input type="text"/>
