Partial domain name takeover request

Page
1/1

We can't arrange a partial takeover on the basis of this form on its own.
You need to make a partial takeover request in the DRS as well.

1 Current registrar

3 We agree to the following

- We've checked the attached list of domain names.
- The list is complete and correct.
- We've numbered and initialled each page of the list.
- We've dated the last page of the list.
- The digital list of domain names we've provided matches the attached list.
- We've read the domain name takeover procedure and the rules in article 7 of the General Terms and Conditions for Registrars.

I - the new registrar - want to take over the domain names.

- From the date of the takeover, I accept responsibility for paying all the fees and charges for the domain names. That includes any outstanding amounts from before the takeover.
- I have told the domain names' registrants about the takeover.
- I accept any .nl Control domain names that the current registrar manages as well.
