(Partial) take-over of domains

openprovider
People and software that help you grow

Losing reseller

_____, with reseller ID _____

and gaining reseller

_____, with reseller ID _____

agree that

☐ **the domains listed in the attachment** will be taken over by the gaining reseller

☐ **all domains** in the losing reseller's account will be taken over by the gaining reseller

    ☐ the account of the losing reseller will be closed afterwards; any outstanding balance will be transferred to the gaining reseller's account.

The losing reseller will inform its customers about the take-over.

The gaining reseller accepts the one-time administrative fee of €80,00 for processing this take-over. The gaining reseller acknowledges that any additional services attached to the domain (including but not limited to trustee service, DNS zone, domain forwarding and whois privacy protection) will be taken over as well.
